

Notice Temporary insurance

The temporary insurance is accessible to any major foreign person wishing to fight in private gala and without cephalic protection. In accordance with the regulations level required.

The temporary license is applicable only during the competition.

- ID
- Medical certificate of non-cons to the practice

➔ 35 euros

According to the temporary license you agree:

- To respect the general legislation to the FFKMDA, in particular issues regarding the fight against doping you had read before
- To respect the FFKMDA sports rules and its representatives responsible to enforce them.
- To respect the FFKDMA medical rules including physiological rest periods

In case of breach to these commitments, the athlete may face sanctions
